

MOHIT SARDANA

Gurugram, India | +91-7015510833 | mohitsardana704@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

Marketing and growth leader with 11+ years of experience building consumer brands, scaling digital campaigns, and driving revenue across India and APAC. Worked across Meta, high-growth startups, agencies, and D2C brands, leading initiatives across user acquisition, consumer growth, performance marketing, and strategic partnerships. Strong track record of working closely with founders, product teams, agencies, creators, and enterprise clients to launch campaigns that drive adoption, engagement, and measurable business impact.

CORE SKILLS

Consumer Marketing | Growth Strategy | Brand Partnerships | Digital Advertising | Performance Marketing | Campaign Strategy | Media Planning | User Acquisition | Creator & Agency Partnerships | GTM Execution | Full Funnel Marketing | Mobile Growth | Cross Functional Leadership | Stakeholder Management | Revenue Growth | Analytics & Measurement

PROFESSIONAL EXPERIENCE

Client Solutions Manager | Meta (via Ushta Te) | Gurugram | Oct 2025 - May 2026

- Use AI tools to build automated workflows to simplify recurring reports, ad account analysis, and troubleshooting.
- Lead strategic partnerships for enterprise advertisers across Media & Entertainment, FMCG, and D2C categories.
- Work closely with CMOs, founders, and agency leaders to shape media strategies across awareness, engagement, and conversion objectives.
- Drive growth across Meta's advertising products by identifying expansion opportunities and improving campaign performance through audience, creative, and measurement insights.
- Partner with internal product and measurement teams to run lift studies and experimentation programs for large advertisers.

Growth & Performance Marketing Consultant | Independent | Remote | Feb 2024 - Oct 2025

- Advised D2C brands and app-first startups on growth marketing, customer acquisition, and retention strategies.
- Managed full funnel campaigns across Meta, TikTok, and Google platforms with a focus on profitable scale and long-term customer value.
- Tested app and gaming growth channels including AppLovin and Ironsource for user acquisition opportunities.
- Worked directly with founders and growth teams to improve attribution, reporting, and marketing efficiency.

D2C Head - Consumer & Performance Marketing | MARS Cosmetics | Delhi | Aug 2023 - Feb 2024

- Led consumer growth and digital marketing strategy for the D2C business across paid media, affiliate, and influencer channels.
- Partnered with agencies and creative teams to execute campaigns focused on customer acquisition and repeat purchase growth.
- Built reporting frameworks for CAC, ROAS, and retention to improve marketing investment decisions.

Head of User Acquisition | Blitz Growth | Bengaluru | May 2021 - Aug 2023

- Managed multi-million dollar growth budgets for mobile-first products across social, search, display, and video platforms.

- Scaled user acquisition campaigns globally while improving retention and lifetime value through audience and creative optimization.
- Worked closely with analytics, engineering, and product teams to align marketing with long-term product growth.

Business Partner - Sales, Data & Strategy | Facebook | Gurugram | Jan 2020 - Apr 2021

- Supported sales and strategy teams with revenue analysis, market insights, and business planning.
- Built automated reporting systems that improved visibility into account performance and advertiser growth opportunities.
- Collaborated with cross functional stakeholders across sales, policy, and operations.

Paid Social Lead | Performics | Gurugram | Jun 2017 - Dec 2019

- Managed growth campaigns for Airtel, Vistara, Zee5, Aakash, and Uber Eats across Meta, YouTube, Search, and Display.
- Helped scale Uber Eats India from 2 to 30 cities through integrated performance marketing campaigns.
- Presented campaign strategy and performance recommendations directly to senior client stakeholders.

WordPress Developer & Digital Growth Associate | Techviz.com | Remote | Jan 2013 - Apr 2015

- Built and managed content and growth initiatives for a technology-focused digital media platform.
- Grew organic traffic through SEO-led publishing, content planning, and audience engagement strategies.
- Worked with external brands and advertisers on sponsored content, affiliate partnerships, and digital monetization opportunities.
- Developed an early foundation in consumer internet behavior, digital storytelling, and online community growth.
